## Tibetans don't see China as enemy, says Dalai Lama

Felicitates US Democrat Nancy Pelosi and delegation for continued support

## LALIT MOHAN

TRIBUNE NEWS SERVICE

## DHARAMSALA, MAY 10

"Tibetans don't see China as enemy but as a friend. We have not gathered here against China but for truth and justice. We consider China as our friend and strongly believe in principle of give and take and mutual benefit," said the Dalai Lama while addressing a public felicitation function organised by the Central Tibetan Administration (CTA) for the visit of the US Congressional delegation here today.

People, who support the Tibet cause, are also not pro-Tibetan but pro-justice and pro-truth. Even Chinese people have started to realise this and are supporting the Tibet cause," he said.

The Dalai Lama attended the public felicitation organised by the CTA in the honour of the US Congressional delegation, led by US Democrat Nancy Pelosi. The felicitation was attended by hundreds of Tibetans and Tibet supporters at the Tsuglagkhang temple.

The Dalai Lama described the US as the global leader for world peace. "America is a leading nation of the free world and plays a pivotal role in the promotion of peace. Nancy Pelosi has been one of the longest friends and supporters of the Tibetans, who has stood with us in the most critical times. I thank all of you for expressing your genuine support for the Tibetan cause and solidarity for Tibetans

inside Tibet," he said.

He emphasised his commitment to non-violence and said the challenge before them was to make the new century, a century of non-violence and dialogue.

Nancy Pelosi praised the Dalai Lama as a man of compassion, vision and hope. She said, "Anytime, anywhere a person can be in the presence of the Dalai Lama is a special occasion. I am proud to be here with the delegation from across America."

"
